0. Introduction

The Executive Committee thanks all the local organisers from AMAVET SK and all volunteers who have made this event possible.

This year it was the first time that the MILSET Europe Annual Meeting (including the General Assembly) took place as a stand alone event.

1. Welcoming

The MILSET Europe Annual Meeting was officially introduced with the welcoming words of the local organiser represented by Gabriela Kukolova, President of AMAVET SK.

Afterwards it was officially opened with a speech given by Antoine van Ruymbeke, President of MILSET Europe.

The floor was given to the participants to introduce themselves one by one.

2. General Assembly

The MILSET Europe General Assembly was opened by Antoine van Ruymbeke, President of MILSET Europe.
